# What Customer's Say about us!

If you haven't been here yet, you're actually missing out. Food was fire and the vibes were immaculate. Staff is super chill too. Definitely coming back with the squad next weekend. Highly recommend."

Best chai hotspot in the city, hands down. Food was fire, tea was perfect, and the vibes were immaculate.

The staff is friendly and always ready to help. The cafe is clean and nice too. It feels cozy to sit there.

Found my new favorite spot. The environment is 10/10—super clean, nice decor, and feels incredibly cozy. It's the perfect place to chill.

Okay, this place is literally a 10/10! 🍻✨ My friends and I came here for the first time today and we're obsessed.. I had the Karak chai and it was fire—so creamy! Definitely our new favorite hangout spot. If you haven't been yet, you're missing out! 🎉"

"I visited this lovely little chai spot for the first time today, and I must say, I was pleasantly surprised. Even though it seems to be a popular place for the younger crowd, the staff treated me with such kindness and patience while explaining the menu.

# Some More Customer Reviews !

**Arjun Mehta**

"Proper Adrak-Elaichi tea! It's so hard to find a cafe that gets the balance of ginger right without it being overpowering. Tastes just like home. The bun-makkhan was incredibly soft too."

**Ananya**

"Love the vibe here. I tried the Rose Chai and it was so fragrant. It's my new favorite spot for a weekend catch-up with friends. The music isn't too loud, which is a plus!"

**Rohan**

"The Masala Chai is solid—very spicy and bold. It gets quite crowded on Friday evenings, so finding a table can be a struggle, but the service is quick despite the rush."

**Ishita Sharma**

Everything was fresh. It feels like a cozy living room away from home."

**Kabir Singh**

"The tea is 10/10, but the wait time on weekends is pretty long. I'd recommend ordering ahead if you're in a rush. Still, the ginger kick in the Adrak Chai is worth it if you have the time."

**Priya K.**

"Finally found a spot that doesn't just serve 'chai tea bags.' The Masala Chai here is authentic, spicy, and served at the perfect temperature."
